+91 9820045154 | hr@talrn.com

I am a very self driven and motivated developer who is still willing to learn and keep my feet on the ground. But also proficient in teamwork and leadership where its needed. I have the goal to grow into a Senior Developer in my next position if its something the company wants me to reach, so that I can provide as much as I can as a developer for my next workplace. I love sports and providing positive attitude to the team.

**INDUSTRIES:** Capital Markets, Health and Fitness
