An iOS Engineer with over 6 years of experience. I have been passionate about app development from a very young age. I have worked closely with start-ups and large financial corporations with massive user bases and am very familiar with how rigorous the processes are. In addition to demonstrating quality results in my professional pursuits, I enjoy challenging and up-skilling myself during my personal time as well.

INDUSTRIES: Travel, Health and Fitness, Capital Markets, Ecommerce

TECHNICAL SKILLS

• iOS	6 years & 1 months
• Automation Testing	3 years & 1 months
• Core bluetooth	3 years & 1 months
• SwiftUI	2 years & 1 months
• ObjectiveC	2 years & 1 months
• Combine Framework	1 years & 1 months
