• GraphQL	6 months

PROJECT DETAILS

• Unified Movie Streaming App (CLASSIFIED NAME)) July-2022 - October-2022

Project Description: A project to which was about unifying all streaming services in one place specifically designed and developed for Apple TvOS.
Responsibilities: My role in this project was to design UI in figma, prototype and develop the same with UIkit.
Technologies: TvOS, UIKit, Combine, Swift
Industry: Entertainment

• Social Media app for skateboard club October-2022 - December-2022

Project Description: A social media app similar to Instagram. Specifically designed and developed for a skateboard community in Newyork.
Responsibilities: The duration i worked on this was short but i was part of prototyping and developing UI for a really complex and crucial feature.
Technologies: Swift, RxSwift, UIKit
Industry: Lifestyle

• Room Control app for a Luxury Hotel September-2022 - December-2022

Project Description: A room controller app for luxury hotel. The app had all the features to control various things in the hotel room like Lights, Climate control, Music, TV, Room service and ordering food through the app itself.
Responsibilities: Create UI's with UIkit, Implement Google analytics and make sure we are able to trace almost all the user activities for UX improvements. Implement Pubnub, Debug any errors in websocket.
Technologies: Swift, UIkit, iPadOS, websocket, Pubnub, Google Analytics
Industry: Hospitality

• Note taking app

Project Description: This particular project was unique. It was to develop a keyboard extension for iOS basically meaning we have our own custom keyboard for iOS. The keyboard had functionalities like accessing files from the severs and copy it. Keep track of all the copied items to clipboard and sync to all devices. Sync screenshots for easy access anywhere in the OS.
Responsibilities: Design and fully develop the keyboard extension using KeyboardKit Pro, SwiftUI and Apollo GraphQL.
Technologies: SwiftUI, KeyboardKit, GraphQL, MacOS, iOS, Keyboard Extension
Industry: Productivity
