+91 9820045154 | hr@talrn.com

Experienced iOS Team Lead with a proven track record of 10 years in designing, developing, and delivering high-quality mobile applications. Expertise in Swift, Objective-C, and the latest iOS SDKs, combined with a strong understanding of software architecture and design patterns. Consistently deliver projects on time and within scope while ensuring code quality through code reviews and best practices. Seeking to leverage my extensive experience to lead and elevate iOS development teams to new heights of success.
