PROJECT DETAILS

• Googly April-2021 - March-2023

Project Description: Welcome to India's first tournament platform - where your limits will be challenged unlimited times. Whether you like e-sports or casual, we have it all for you! While Googly serves a full plate of games for a gamer to choose from, it also serves a side plate of Crème Brûlée for that feeling of being satiated yet glued. From connecting with like-minded gamers for team formations to buying happy doses of wins from ‘game time’ or connecting with people to a new form of a community like never before, Googly has it all for you! Googly wraps up a good meal for all gamers, as it provides a one-stop-shop for all things gaming - tournaments, big prizes, making new friends, eStore for all things gaming and accessories, coaching & academy, content, broadcast, leaderboards, social feed, and much more.
