I'm enthusiastic about the Senior iOS Developer role at Organisation. With over six years of iOS experience, including Swift and UIKit proficiency, I'm well-equipped to contribute. Organisation's user-centric approach, remote-friendly environment, and commitment to quality align with my values. I thrive in fast-paced settings, prioritise the user experience, and value collaboration. I'm excited to be part of Organisation's mission to foster meaningful friendships through technology.

INDUSTRIES: IT, Healthcare, Automobile, Education, Lifestyle

TECHNICAL SKILLS

• Swift	6 years
• Cocoa Touch	6 years
• Auto Layout	6 years
• Xcode	6 years
• Git	6 years
