+91 9820045154 | hr@talrn.com

Throughout the course of my career, I have perfected my testing and maintenance and designing software applications abilities. I am a capable and consistent problem-solver skilled at prioritising and managing projects with proficiency. In my previous role, I contributed problem-solving, teamwork, and troubleshooting bugs toward team efforts and business improvements. I am progressive minded and in tune with new developments in my field. I have proven to be effective and collaborative with strong time-management talents. I enjoy collective brainstorming sessions which all me to coordinate activities to achieve a common goal.
